Job Description – Production Operative (Race Assembly)

SUMMARY

Working in the Race Production department, the Production Operative will be responsible for the assembly of high-performance brake components (predominantly discs and calipers) and the packaging of these components ready for distribution.

PRIMARY RESPONSIBILITIES

- Assembly and packaging of brake calipers and performance brake rotors;
- Carrying out end-of-line testing on finished assembled products;
- Maintaining component stock levels through frequent stock takes and flag up low stock levels to the administrator as they are identified;
- Working with works orders and to deadlines;
- Any other duties as assigned by the Production Manager.

KNOWLEDGE AND SKILLS

- Proficient in the assembly of precision components;
- Excellent communication and interpersonal skills with your colleagues and management;
- Excellent attention to detail with dedication to the continuous improvement of personal skills and production processes;
- Good computer literacy, including experience of using Microsoft Outlook, Word and Excel;
- Previous SAGE 200 experience preferred but not essential as training will be provided;
- Forklift licence preferred but not essential;
- Knowledge of section machinery and routine maintenance requirements;
- Ability to work independently but also work effectively within a small team.

WORKING CONDITIONS

- Full time 40.5 hours per week. Monday-Thursday 07:15-16:30 (30 minute unpaid lunch break) and Friday 07:30-13:00.
- Start date: January 2025
- Hourly rate £11.44 per hour, rising to £11.78 on successful completion of 3-month probation period.
