

Security and Facilities Operative

SUMMARY

EBC Brakes are looking for a reliable and proactive Security & Facilities Operative to help keep our site safe, secure, and running smoothly. You'll work alternating morning and afternoon shifts (30.5 hours per week) and act as a key member of our on-site security and facilities team.

SIA licence not essential

WHAT YOU'LL DO

Security Duties

- Welcome and check in visitors, contractors, and drivers;
- Monitor CCTV in line with company procedures;
- Carry out internal/external site patrols;
- Conduct and record occasional searches of employees and visitors;
- Manage keys, access fobs, alarm codes, and security records;
- Carry out weekly fire alarm tests and support fire drills and evacuations.

Facilities & Health & Safety Duties

- Oversee and log contractor visits, including documentation and insurance/RAMs and qualification checks;
- Maintaining contractor and facilities records;
- General admin support for the Safety & Facilities Manager.

WHAT WE'RE LOOKING FOR

- Experience in a similar role preferred, but not essential;
- Confident using a PC and basic software;
- Good communication skills and professional with staff/visitors;
- Knowledge of CCTV or security systems would be beneficial but not essential as training provided;
- Desirable: Full UK/EU driving licence and own transport.
